Plaintiff

v

Mark A Richter et al.,
Defendants

Case 19-cv-609-nj

Motion for extension
of time

I Jeannine A Hampton appearing pro se hereby moves this Court for an order extending the time allowed to respond to the defendants motion for Summary Judgment to ~~Jan~~ 12th 2022 as the Plaintiff is still preparing his Case File and also preparing for his upcoming Neuro Surgery scheduled for any day this month of October 2021 as well as his upcoming release date which is November 16th 2021 and due to his need for recovery after surgery he will not be able to litigate his claims as the Surgeon expect his Recovery to be at least Four to Six months and as seeing that there is currently no trial date yet set for this case the Defendants will not be prejudiced anyway Therefore the Plaintiff moves this Court for an order allowing him to file or respond to the defendants motion for Summary Judgment on or before Jan. 12th 2022

Respectfully Submitted
